DEAR COMMUNITY PARTNER,

For the past 15 years, Kingdom Builders Deliverance Center (KBDC) has proudly served as a beacon of hope and support within our community. Our church is deeply committed to fostering a sense of community, providing essential services, and addressing the diverse needs of our neighbors. We are excited to share our latest initiative, the Keep it 100: Build the Block Capital Campaign, and invite you to join us in this transformative journey.

vision + impact CAMPAIGN OVERVIEW

The Keep it 100: Build the Block Capital Campaign is our ambitious initiative to raise \$10 million over seven years to support the vision of the Kingdom Builders Movement. With your invaluable support, we will construct a state-of-the-art campus equipped with facilities to meet our congregation's and community's diverse needs, fostering a sense of unity and shared purpose. Your contribution will be a significant step towards transforming our vision into reality.

Campaign Goals

- 1. Purchase the Land: Secure the necessary land for our new campus with a budget of \$800,000.
- 2. Build the Campus: Construct the main facilities outlined in our master plan, including a 500-seat sanctuary, a fellowship hall, classrooms, administrative areas, and more.
- 3. Expand Our Programs: Enhance and expand our community programs, including mental health support, food insecurity initiatives, and youth engagement.

activities + community impact

HURRICANE IDALIA RELIEF

In partnership with the Red Cross, we served over 400 meals to those affected by Hurricane Idalia, providing essential support and relief to our community during a time of need.

ANNUAL FALL FESTIVAL

For the past 8 years, our annual fall festival has brought awareness to the need for foster and adoptive parents in the Department of Family and Children Services. Partnering with Bridge 11, a private-public partnership, we provide a space for foster youth and all youth to come together and enjoy a night of fun each Halloween, serving over 500 attendees each year.

CARE (Collaborating, Activating, and Re-Engaging) Youth in Care

This program was created by our church in partnership with Called to Care. The program focuses on teens in care, providing them with essential skills for life's next phase. Through this initiative, we help teens build a foundation for a successful future by offering workshops, mentorship, and support tailored to their unique needs.

THE KINGDOM CARES: BETTER ME INITIATIVE

They promote mental health and well-being through group sessions led by qualified professionals. Regular sessions focus on stress management, resilience, and effective coping strategies, providing a supportive space for open discussions and practical exercises to enhance mental well-being.

COVID-19 RESPONSE

We hosted one of the first community testing sites during the pandemic.

Total Estimated Cost for Construction: \$2,325,350

why sponsor?

Your sponsorship is not just a financial contribution, but a vote of confidence in our vision and a commitment to the betterment of our community. Your support will directly contribute to the realization of our vision, allowing us to:

- **Expand Our Programs:** Increase the scope and reach of our existing programs, ensuring we can support more individuals and families.
- Enhance Our Facilities: Your sponsorship will help us build a modern, welcoming campus that meets the diverse needs of our community, making a significant impact on the lives of many.
- Strengthen Our Community: Provide a central location for community activities, events, and support services.

Benefits of Sponsorship

- **Visibility:** Gain exposure to our community through various campaign events and materials.
- **Impact:** Directly contribute to the development of essential community facilities.
- **Recognition:** Receive acknowledgment and appreciation through our events, publications, and social media.
